CAREER OBJECTIVE

Results-driven and detail-oriented M.Sc. Computer Science graduate with a strong foundation in Core Java, Python, and SQL. Seeking an entry-level position to leverage technical expertise and analytical skills in designing and developing efficient software solutions. Committed to continuous learning, professional growth, and contributing effectively to organizational success in a dynamic and collaborative environment.

TECHNICAL SKILLS

Frontend: HTML, CSS, JavaScript, ReactJS, Bootstrap, Tailwind CSS

Backend / Database: Node.js, JDBC, MySQL, Express, MongoDB

Languages: Python, Java, C++

Tools: Git, GitHub, Socket.IO, Cloudinary, Jupyter Notebook / Google Colab

Soft Skills: Clear Communication, Patience, Adaptability

WORK EXPERIENCE

Frontend Developer Intern — SDAC, Mumbai **Jan 2025 - Jun 2025 (6 Months)**

- Developed responsive UI components using HTML, CSS, JavaScript, and Bootstrap, ensuring cross-device compatibility.
- Contributed to an E-Commerce website, implementing product pages and interactive UI features.
- Integrated frontend components with backend services using Java, JDBC, and MySQL.
- Collaborated with team members to understand requirements and improve UI usability.

PROJECTS

ChatUp — Modern Real-Time Chat Application **Dec 2025 - Apr 2026**

Tech Stack: React, Node.js, Express, MongoDB, Socket.IO, Tailwind CSS, DaisyUI, Zustand, Cloudinary, Render

- Built a full-stack real-time chat application enabling 1-to-1 messaging between registered users.
- Implemented real-time messaging and online/offline user status using Socket.IO.
- Built REST APIs and integrated image uploads with Cloudinary.
- Designed a responsive UI with notification sounds and message timestamps.
